

EAST WENATCHEE MUNICIPAL COURT ACCESS TO ADMINISTRATIVE RECORDS

(1) PURPOSE

Access to Administrative Records:

Consistent with the principles of open administration of justice as provided in article I, section 10 of the Washington State Constitution and General Rule (GR) 31.1, it is the policy of the East Wenatchee Municipal Court to facilitate access to administrative records, which have been created or are being maintained by the court on and after the effective date of GR 31.1.

The purpose of the General Rule GR31.1 is to provide the public with a regulatory mechanism for access to the records that relate to the management, supervision, or administration of a judicial entity, in this instance, East Wenatchee Municipal Court.

Policy and Procedure:

The information contained in this Policy is designed to aid both those requesting public administrative records and those responding to records requests. The policy and procedures should assist in guiding expectations of Requestors and providing notice of an instrument by which to appeal a records decision, if necessary.

- GR 31.1, Access to Administrative Records

(2) DEFINITIONS

Case records are records that relate to in-court proceedings, including case files, dockets, calendars, and the like. Public access to these records is governed by GR 31, which refers to these records as “court records” and not by GR 31.1. Under GR 31, these records are presumptively open to public access, subject to stated exceptions.

Administration records are records that relate to the management, supervision, or administration of a court or judicial agency. A more specific definition of “administrative records” is in section (i) GR 31.1. Under section (j) of this GR31.1, administrative records are presumptively open to public access, subject to exceptions found in section (j) and (l) of GR 31.1.

Chambers Records are records that are controlled and maintained by a judge or chambers staff. “Chambers Record” means any writing that is created by or maintained by any judicial officer or chambers staff, and is maintained under chambers control, whether directly related to an official judicial proceeding, the management of the court, or other chambers activities. “Chambers staff”

means a judicial officer's law clerk and any other staff when providing support directly to the judicial officer at chambers.

(3) POLICY

East Wenatchee Municipal Court shall provide for inspection and copying of requested public administrative records as provided in this policy and procedure, unless such records are exempt from disclosure under GR 22; GR 31; GR31.1 (j) (l); Chapter 42.56 RCW ; or other laws and rules under which disclosure is regulated. East Wenatchee Municipal Court staff shall provide requested administrative records to the extent practicable.

(4) RESPONSIBILITY/AUTHORITY

Public Records Officer:

The Municipal Court Administrator is the designated Public Records Officer (PRO) for the Municipal Court. The PRO will oversee Municipal Court compliance with the General Rule "Access to Administrative Records" (GR 31.1) and these procedures.

Any person wishing to request access to administrative records of East Wenatchee Municipal Court, or seeks assistance in making such a request should contact the PRO for Municipal Court:

Fax: 509.886.4501

The PRO will oversee compliance with the General and Local Rules however other court staff may process the request. Therefore, these policies will refer to the PRO or "designee". The PRO or designee and East Wenatchee Municipal Court will provide the "fullest assistance" to requestors; ensure public records are protected from damage or disorganization; and prevent fulfilling public records requests from causing excessive interference with essential functions of Municipal Court.

(5) AVAILABILITY OF ADMINISTRATIVE RECORDS

(a) Hours for inspection of records. Court administrative records are available for inspection and copying during normal business hours of Municipal Court, Monday through Friday, 8:00 a.m. to 4:30 p.m., excluding legal holidays, or during exigent circumstances.

(b) **Retention Schedule.** District and Municipal Courts have a retention schedule on file with the Office of the Secretary of State. It can be found here: <http://www.sos.wa.gov/archives/RecordsManagement/Records-Retention-Schedules-for-District-and-Municipal-Courts.aspx>. Administrative records which have been scheduled for destruction or which have been destroyed or deleted in accordance with the retention schedule will not be available for disclosure.

(c) **Organization of records.** Municipal Court will maintain its records as a digital image and they can be made available through email or they can be printed in paper form. They are kept in an organized manner via an imaging system. Municipal Court will take reasonable actions to protect records from damage and disorganization. Some records may be available on the Washington Courts website at: <http://dw.courts.wa.gov/> Requestors are encouraged to view the documents available on the website prior to submitting a records request.

(d) **Making a request for administrative records.**

- (i) A copy of East Wenatchee Municipal Court Request Form is attached here as Appendix 1
- (ii) Any person wishing to inspect or copy administrative records of East Wenatchee Municipal Court should make the request in writing on the Municipal Court's request form (attached and on our website) or by letter or fax, addressed to the PRO and including the following information:
- (iii) Name of requestor;
 - Address of requestor;
 - Other contact information, including telephone number and e-mail address;
 - Identification of the administrative records adequate for the PRO or designee to locate the records; and
 - The date and time of day of the request.

If the requestor wishes to have copies of the records made instead of simply inspecting them, he or she should so indicate and make arrangements to pay for copies of the records, or a deposit. Photocopy charges or other charges described in this policy may be assessed and due at the time of receipt of the records. In the event the costs are deemed significant by the PRO or designee, said officer may require a deposit prior to fulfilling the request.

A request form is available for use by requestors at Municipal Court or you may email athompson@eat-wenatchee.com to have a form emailed to you.

(6) **PROCESSING OF ADMINISTRATIVE RECORDS REQUESTS- General**

- (a) **Implementation of GR 31.1.** East Wenatchee Court is required by General Rule 31.1 to adopt local policies and procedures to implement the provisions of GR 31.1.

(b) Acknowledging receipt of request. Within five (5) business days of receipt of the request, the public records officer will do one or more of the following:

- (i) Acknowledge receipt of the request;
- (ii) Make the records available for inspection or copying;
- (iii) If copies are requested and payment of a deposit for the copies, if any, is made or terms of payment are agreed upon, send the copies to the requestor;
- (iv) Provide a reasonable estimate of when records will be available; or
- (v) If the request is unclear or does not sufficiently identify the requested records, request clarification from the requestor. Such clarification may be requested and provided by telephone. The public records officer or designee may revise the estimate of when records will be available; or
- (vi) Deny the request.

(c) Consequences of failure to respond. If Municipal Court does not respond within five (5) business days of receipt of the request for disclosure, the requestor should consider contacting the PRO to determine the reason for the failure to respond.

(d) Protecting rights of others. In the event that the requested records contain information that may affect rights of others and may be exempt from disclosure, the PRO may, prior to providing the records, give notice to such others whose rights may be affected by the disclosure. Such notice should be given so as to make it possible for those other persons to contact the requestor and ask him or her to revise the request, or, if necessary, seek an order from a court to prevent or limit the disclosure. The notice to the affected persons will include a copy of the request.

(e) Records exempt from disclosure. Some records are exempt from disclosure, in whole or in part. If Municipal Court believes that a record is exempt from disclosure and should be withheld, the PRO will state the specific exemption. If only a portion of a record is exempt from disclosure, but the remainder is not exempt, the PRO will redact the exempt portions, provide the non-exempt portions, and indicate to the requestor why portions of the record are being redacted.

(f) Inspection of records.

- (i) Consistent with other demands, East Wenatchee Municipal Court shall promptly provide space to inspect public records. No member of the public may remove a document from the viewing area or disassemble or alter any document. The requestor shall indicate which documents he or she wishes the agency to copy.
- (ii) The requestor must claim or review the assembled records within thirty (30) days of notification to him/her that the records are available for inspection or copying. Municipal Court will notify the requestor in writing of this requirement and inform the requestor that he/she should contact the PRO to make arrangements to claim or review the records. If the requestor or a

representative of the requestor fails to claim or review the records within the thirty (30) day period or make other arrangements, Municipal Court may close the request and re-file the assembled records.

(g) Providing copies of records. After inspection is complete, the PRO or designee shall make the requested copies or arrange for copying.

(h) Providing records in installments. When the request is for a large number of records, the PRO or designee will provide access for inspection and copying in installments, if he or she reasonably determines that it would be practical to provide the records in that way. If, within thirty (30) days, the requestor fails to inspect the entire set of records or one or more of the installments, the PRO or designee may stop searching for the remaining records and close the request.

(i) Completion of inspection. When the inspection of the requested records is complete, and all requested copies have been provided, the PRO or designee will indicate that Municipal Court has completed and closed the request.

(j) Closing withdrawn or abandoned request. When the requestor either withdraws the request or fails to fulfill his or her obligations to inspect the records or pay the deposit or final payment for the requested copies, the PRO will close the request and indicate to the requestor that the request is closed.

(k) Later discovered documents. If, after Municipal Court has informed the requestor that it has provided all available records, Municipal Court becomes aware of additional responsive documents existing at the time of the request, it will promptly inform the requestor of the additional documents and provide them on an expedited basis.

(l) Extraordinary Requests.

If the request cannot be fulfilled within a reasonable time due to court constraints, the office of the PRO will communicate this information and attempt to reach an agreement with the requestor for a more manageable scope of request and time frame.

(m) Harassment, Intimidation, Threats to Security, or Criminal Activity:

The Court has the right to deny a request if the court finds that the request was intended to do harm to court staff, employees, or any other person, or when fulfilling the request may assist criminal activity. The court may also deny any future requests by the same requestor or entities controlled in whole or part by the requestor.

(7) EXEMPTIONS

(a) General Rule 31.1 and other court rules/statutes provide that a number of types of documents are exempt from public inspection and copying. In addition, documents are exempt from disclosure if any "other statute" exempts or prohibits disclosure. Requestors should be aware of those exemptions, outside GR 31.1, that restrict the availability of some documents held by Municipal Court for inspection and copying.

(b) Municipal Court is prohibited by General Rule and statute from disclosing lists of individuals for commercial purposes.
